THROUGHOUT THE YEAR...

INDUCTION SEMINAR

A series of events and courses facilitating integration within the school: French as a foreign language courses, intercultural seminars and various events.

PROFESSIONAL EXPERIENCE

At the end of their courses, students will have to find & complete a 4-to-6-month professional project, in France or abroad, providing them with the ability to apply learned concepts and skills.

BUSINESS PROJECTS

Projects will be adapted to each MSc specialisation.
Some examples of projects:

- **INTERNATIONAL START-UP WEEK:**

The objective of this project is to create a new and innovative company. Students will be asked to pitch their project to an academic panel and to potential investors.

- **BUSINESS CHALLENGE:**

Depending on the chosen MSc programme, students will work on a real-life case study directly related to a company in order to solve a specific problem for that company.

- **PROFESSIONAL CERTIFICATES:**

Earn a professional certificate from top institutions such as Microsoft and more. Some certificates are fee-paying, and MBS will bear part or all of the fees.

SEMINARS, WORKSHOPS & MEETINGS

Students will have the chance to participate in different seminars, workshops and meetings with professionals.

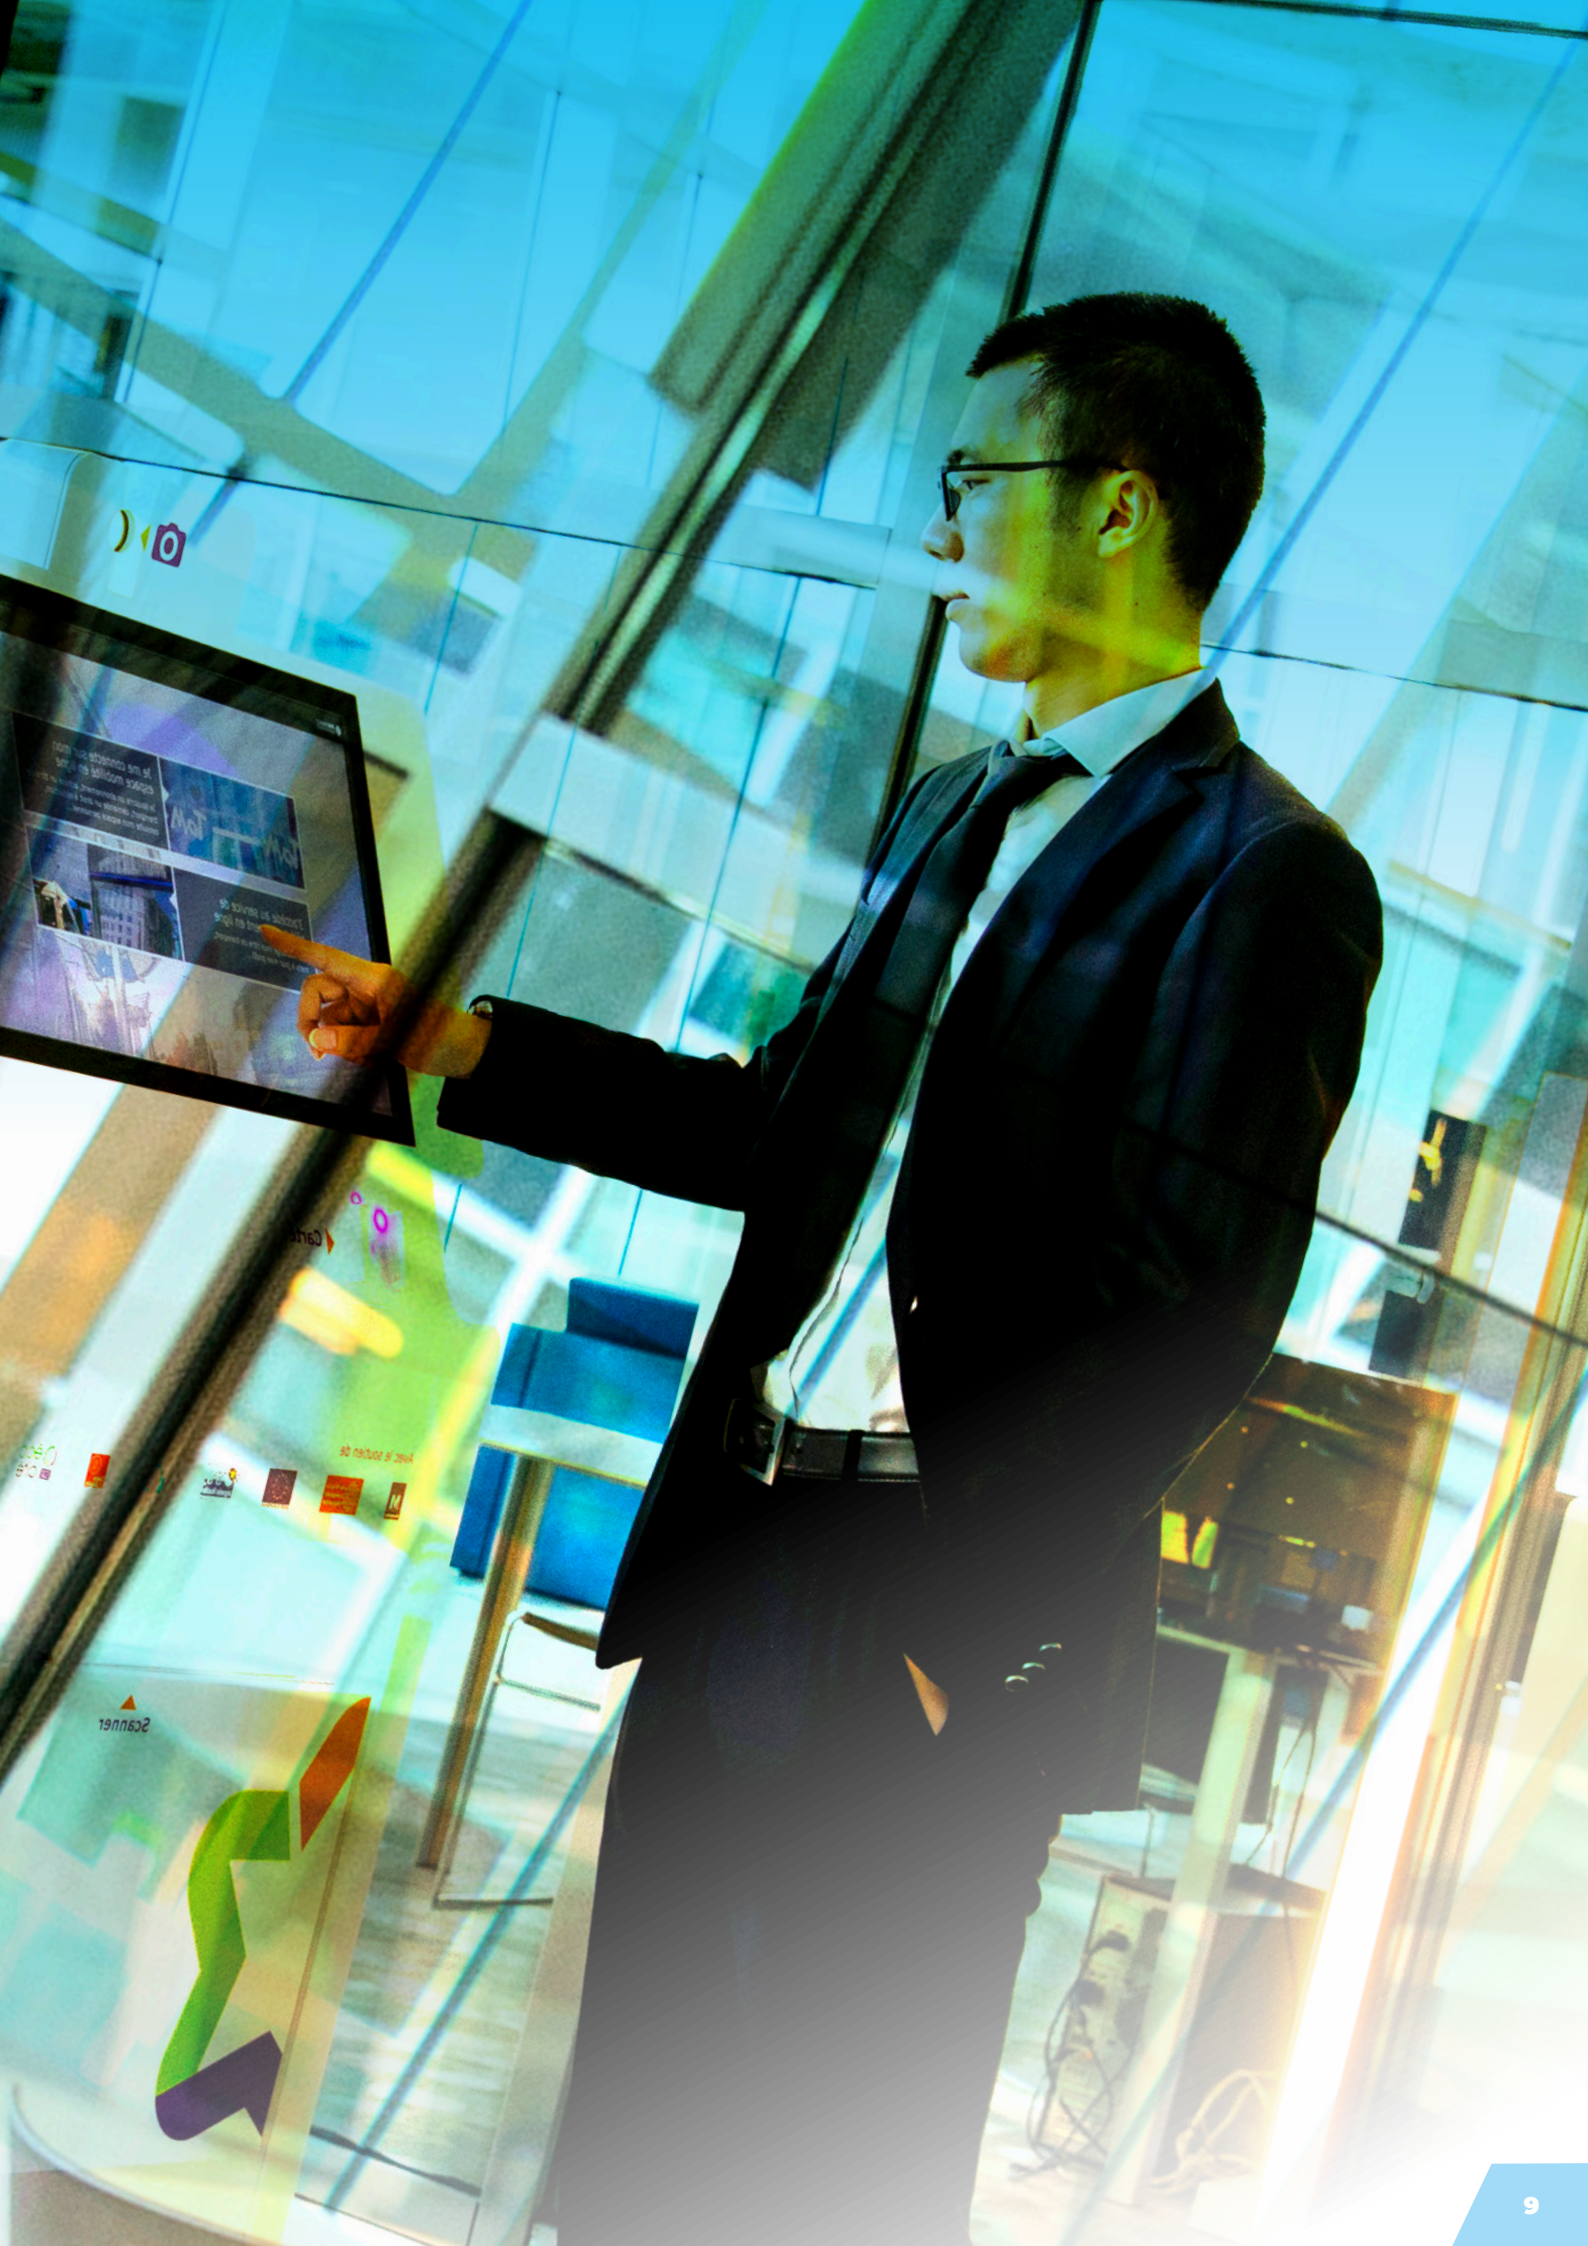

Our career center and alumni network are also providing students with a full range of workshops and tools to enhance their career and prepare them in seeking the best career opportunities.

MASTER THESIS

Introduction to research methods allowing to develop research and/or business topics.

FIELD STUDY TRIPS

Every Masters of Science programmes include field study trips during the year. These visits are a real highlight of the course for students.

MONTPELLIER CAMPUS

MSc SUPPLY CHAIN MANAGEMENT

DIPLÔME VISÉ CONTRÔLÉ PAR L'ÉTAT

DESSMO

The MSc Supply Chain Management is a multidisciplinary programme designed to prepare you for the volatile, uncertain, complex & ambiguous (VUCA) environment. It includes purchasing/ procurement, logistics (transportation and warehousing), operations management, and customer relationship management. With fast-paced globalisation, shrinking product life cycle, greater customer sophistication, increasing network fragmentation, and digital innovation, the role of the supply chain management goes beyond coordinating the flow of materials, information, and funds. This programme addresses these issues through key concepts that underpin supply chain management. These concepts are supported by three guiding principles: agility, adaptability, and alignment.

BY CHOOSING THIS SPECIALISATION YOU WILL:

- Apply theory to improve the business processes
- Improve the profitability of organisations by optimising the resources
- Predict and minimise the various kinds of risk in the supply chain
- Understand the use of enabling technologies to improve the performance

SPECIALISATION COURSES

- Operations and supply chain management
- Global supply chain management
- Responsible supply chain
- Supply chain and big data
- Sustainable supply chain
- Lean management
- Supply chain finance

PROFESSIONAL CERTIFICATES:

Courses taught in this specialisation will prepare students for the :

- Microsoft Power Platform
- Microsoft Power BI

Microsoft

CAREER OPPORTUNITIES

The highly skilled and trained Supply Chain Managers are expected to play the most important role in the VUCA environment, particularly in the following sectors:

- Consulting ■ Automotive ■ Construction
- Pharmaceutical ■ Electronics ■ Cosmetics
- Industry (Oil & Gas, Chemicals…)
- Humanitarian Sector ■ Banking
- Consumer Goods

RECRUITING COMPANIES

- Daimler AG ■ Sanofi ■ Groupe BBL ■ ...

« I absolutely loved my time at MBS.

The program's emphasis on practical skills and experiential learning was another highlight for me. I appreciated the numerous opportunities to work on real business projects and case studies, which enhanced my problem-solving abilities. The career support provided by the school was instrumental in helping me secure a fulfilling job in the field of business excellence upon graduation.»

Dr.
Rameshwar
DUBEYS, PhD

HEAD OF THE PROGRAMMES

Dr. Rameshwar Dubey is a Professor in Supply Chain Management at MBS. He has also taught in some of the leading international schools in India, Brazil, China and Sweden. Dr. Dubey's research interests include supply chain management, operations management and business analytics with strong focus on humanitarian operations management, sustainable supply chain management, supply chain design issues and application of emerging technologies in disaster relief operations. Dr. Dubey has been shortlisted among the top 1% most cited scholars based on web of science database.

MONTPELLIER CAMPUS

MSc BIG DATA & ARTIFICIAL INTELLIGENCE FOR BUSINESS

DIPLÔME VISÉ CONTRÔLÉ PAR L'ÉTAT

DESSMO

The modern economy is driven by digitisation that generates billions of data. Companies that quickly embark into big data analytics-based growth strategy find themselves in an advantageous position in the marketplace. To achieve big data analytics-based growth strategy, companies need data scientists, experts, and practitioners, whose research can justify meaningful results from structured or unstructured information they collect.

This specialisation on Big Data and Artificial intelligence prepares future managers, data scientists and leaders for digital enterprises of the future.

BY CHOOSING THIS SPECIALISATION YOU WILL:

- Explore the different ways Data Science, Big Data and Artificial Intelligence can improve decision making in a business or a social setting
- Achieve practical skills required to use analytic tools effectively and rise to leadership positions within companies
- Discover how big data and artificial intelligence can be effectively used to digitally transform the enterprise

SPECIALISATION COURSES

- Business analytics & Big data
- Data quality, protection & regulations
- Fundamentals of Python for business
- Data management
- Fraud detection
- Introduction to artificial intelligence
- Business applications in AI

PROFESSIONAL CERTIFICATES:

Courses taught in this specialisation will prepare students for the :

« One word to describe my experience at MBS would be transformative. MBS not only equips you for the current work environment but also for the future. The immersive learning atmosphere at MBS greatly enriched my learning experience by making it engaging, memorable, and industry-relevant. As a data engineer in a constantly evolving tech industry, I'm confident that the knowledge and competencies gained at MBS will serve as invaluable assets in perpetuating my career growth and industry relevance.»

Dr. Deepa **BHATT**, PhD

HEAD OF THE PROGRAMME

Dr. Deepa Bhatt, Assistant Professor at MBS since October 2020, teaches Big Data Analytics and Supply Chain Management. She earned her PhD from the Indian Institute of Technology Kanpur and completed postdoctoral research at McMaster University, Canada, and South University of Science and Technology of China.

Before joining MBS, she served as an Assistant Professor at the Indian Institute of Management, Amritsar, India. Her research focuses on Supply Chain Management, Digital Transformation, and Big Data Analytics.

MONTPELLIER CAMPUS

MSc PROJECT MANAGEMENT

DIPLÔME VISÉ CONTRÔLÉ PAR L'ÉTAT

DESSMO

The MSc programme in Project Management aims to enhance the managerial and leadership skills of aspiring project management professionals, preparing them for an increasingly complex and project-oriented global landscape.

This programme equips students with advanced knowledge and practical expertise needed to navigate and lead complex projects and teams in dynamic environments. Participants will learn to devise and implement customised strategies that enable organisations, both small and large, to thrive.

Ultimately, graduates will be capable of transforming the challenges posed by complexity into opportunities, benefiting their own organisations or the clients they serve.

BY CHOOSING THIS SPECIALISATION YOU WILL:

- Understand project challenges
- Evaluate the relationship between complexity, risk and uncertainty in project environment
- Apply Systems Thinking to drive the successful integration of project design and execution strategies
- Design, develop and deploy projects aligned to an organisation's specific mission, vision and strategic objectives
- Analyse project stakeholders, complexity and environment to implement effective communication and engagement strategies

SPECIALISATION COURSES

- Project management in a VUCA world
- Agile project management
- Leading effective project teams
- Big Data & project analytics
- Organisational behaviour & system change
- Sustainable innovation management

PROFESSIONAL CERTIFICATES:

Courses taught in this specialisation will prepare students for the :

- Microsoft Power Platform
- Microsoft Power BI
- Certified Associate in Project Management (CAPM) from the Project Management Institute (PMI)

EMPOWERING CAREERS THROUGH PMI PARTNERSHIPS

MBS's strategic partnership with PMI France will enrich project management education at the school and support students' professional growth through access to PMI's global resources, events, and practitioner networks. Students will benefit from learning aligned with PMI standards, mentorship, real-world project experience, and support for certification (including CAPM).

- Groupe Mars ■ Marsh McLennan

Maryna
Ukraine

« Taking the Project Management course at MBS transformed my approach to project management. This course gave me a structured understanding of budgeting, scheduling, and stakeholder communication. It especially helped me improve team leadership, something I struggled with before. The practical, hands-on learning made a big impact, and I'm already applying these skills confidently in my work. I highly recommend it to anyone looking to grow in project management.»

Dr. Alec **Waterworth**, PhD

HEAD OF THE PROGRAMME

Dr Alec Waterworth is an Associate Professor in Project Management, having joined MBS in September 2022. His teaching is focussed on addressing complex organisational challenges across a wide range of sectors and contexts. His research interests include the ongoing clean energy transition (and the role of project management therein) and the 'crisis of silence' on complex projects. Before entering academia, Alec worked in the oil and gas industry as a Quality Assurance Engineer on several multi-billion US$ projects.

MONTPELLIER CAMPUS

MSc GLOBAL FINANCE

DIPLÔME VISÉ CONTRÔLÉ PAR L'ÉTAT

DESSMO

The MSc Global Finance is designed to prepare you for a successful career in banking, corporate, or investment finance. You'll gain a solid foundation in key areas such as finance, sustainability, technology, and regulation, keeping you aligned with the latest industry trends.

With a strong focus on digital and sustainable finance, the programme helps you understand the complexities of financial markets and develop the skills to provide tailored solutions to business needs.

Combining academic rigour with practical application, it equips you with a global perspective and the expertise needed to thrive in today's fast-evolving financial sector.

BY CHOOSING THIS SPECIALISATION YOU WILL:

- Master corporate finance and global financial markets
- Analyze and strategize corporate financial decisions
- Utilize financial instruments to achieve key objectives
- Explore sustainability and digital finance for innovative solutions
- Understand regulatory frameworks and their institutional impacts.

SPECIALISATION COURSES

« My MSc in Finance at MBS has been an enriching experience. The school's exceptional faculty and practical approach have deepened my financial expertise. Collaborating with diverse peers has broadened my horizons. I am grateful to be able to apply these skills in my career. »

Dr Moez **Bennouri**, PhD

HEAD OF THE PROGRAMME

Moez Bennouri has been Professor of Finance at MBS since 2015 and Director of MSc programmes since 2019. He holds a PhD in Economics from the University of Toulouse and has over 20 years of teaching experience at institutions including HEC Montréal and NEOMA Business School.

His research explores how information asymmetries shape economic behaviour across finance and economics, with work published in leading journals such as the Review of Finance, Economic Theory, Journal of Banking and Finance, and British Journal of Management.

MONTPELLIER CAMPUS / 1-YEAR PROGRAMME

MSc DIGITAL MARKETING & OMNICHANNEL STRATEGY

DIPLÔME VISÉ CONTRÔLÉ PAR L'ÉTAT

DESSMO

The marketing challenges of tomorrow will center on mastering digital marketing and, crucially, adopting a true omnichannel approach. Success will depend on making informed decisions that capture value from your customers across every touchpoint, while simultaneously creating value for your company. In this MSc, you will explore digital marketing from a customer-centric perspective and learn how to design and implement an integrated omnichannel strategy that unifies online and offline channels. You will develop and apply tools that ensure a seamless, consistent consumer experience — regardless of where or how customers interact with your brand — ultimately driving engagement and increasing sales. Finally, you will discover how to harness creativity to innovate and define meaningful, actionable metrics that reflect the impact of your omnichannel initiatives.

BY CHOOSING THIS SPECIALISATION YOU WILL:

- Understand the dynamics of digital marketing and omnichannel strategies
- Drive digital marketing strategies through customer-centricity approach
- Implement an omnichannel strategy focused on the customer journey
- Define creative and innovative digital metrics to measure the customer experience within your organisation

SPECIALISATION COURSES

- Mobile strategy
- Data analytics for marketing
- Digital project management & Digital Transformation
- Customer experience management (CEM/CXM) & Omnichannel strategy
- Storytelling in the digital era

PROFESSIONAL CERTIFICATES:

Courses taught in this specialisation will prepare students for the :

- Microsoft Power Platform
- "Luxury Attitude" Certificate (optional, with partial financing by MBS)
- Aviation by Pegase Chair

CAREER OPPORTUNITIE

- Digital Marketing Specialist
- CEM/CXM Specialist
- Marketing Manager
- Web Campaign Specialist
- Business Analyst
- Marketing and Communications Consultant
- Brand and Client Experience Designer
- E-Commerce Manager

RECRUITING COMPANIES

L'Oréal ■ KPMG ■ Capgémini ■ TBWA ■ Generali ■ ADM ■ Fever tress ■ ...

Carlos
Colombia

« My Master's in Marketing at MBS was truly exceptional.

The diverse international professors, emphasis on practical learning through "learning by doing" rather than just theory, and the vibrant Montpellier backdrop made it a standout experience.

This program not only deepened my knowledge but also equipped me with hands-on skills for the dynamic world of marketing. It's an experience I'll always cherish. »

Dr. Felipe **Pantoja**, PhD

HEAD OF THE PROGRAMME

Felipe Pantoja is an Assistant Professor of Marketing at MBS School of Business. His research concentrates mainly on how customers' senses influence cognition and decision making. His work has been published in journals such as Journal of Advertising, Journal of the Association for Consumer Research, International Journal of Advertising and Journal of Retailing and Consumer services. In addition, he serves as associate editor for the Italian Journal of Marketing and is part of the editorial review board of journals such as Journal of Business Research and Journal of Consumer Marketing.

MONTPELLIER CAMPUS / 1-YEAR PROGRAMME

MSc LUXURY MARKETING IN A SUSTAINABLE WORLD

DIPLÔME VISÉ CONTRÔLÉ PAR L'ÉTAT

DESSMO

Consistent with the core values of MBS and the transition to a more sustainable world, this specialisation aims to prepare and train future responsible leaders in luxury marketing.

Studying luxury marketing in France, home to famous luxury brands (e.g., Hermes, Louis Vuitton, Dior, and Chanel), and the Montpellier region, with its rich tradition in tourism, hospitality, and wines and food, is a great choice for those aspiring to learn more about French excellence and "savoir faire" and how to market luxury products in a sustainable world.

BY CHOOSING THIS SPECIALISATION YOU WILL:

- Understand and apply marketing strategies and tactics to successfully manage a luxury brand
- Learn the principles of French excellence and savoir-faire in manufacturing luxury products and apply this knowledge to promote and sell luxury products, both online and offline
- Understand the challenges facing the luxury industry in terms of sustainability and responsibility
- Develop the ability to propose creative and innovative solutions, which is an essential and highly-valued skill in the luxury industry

SPECIALISATION COURSES

- Luxury brand management
- French excellence & savoir faire in luxury
- Sustainable fashion & luxury
- Storytelling in the digital era
- Sector-specific courses (e.g., fashion, tourism, wine, gastronomy)
- Customer experience & retail management

PROFESSIONAL CERTIFICATES:

Courses taught in this specialisation will prepare students for the :

- Microsoft Power BI
- "Luxury Attitude" Certificate (optional, with financing by MBS)

CAREER OPPORTUNITIE

- Luxury Brand Manager
- Luxury Goods Product Manager
- Luxury Retail Merchandiser
- Luxury Marketing Communications & Public Relations Manager
- Digital Marketer in the Luxury Industry
- Storyteller for Luxury Brands

RECRUITING COMPANIES

- L'Oréal
- Haus of Jaeger
- Le Collectionist
- Nanny Bag
- Moschino
- Chanel
- Madeho

Loh
Malaysia

« For the first time, I had the opportunity to work at the headquarters of an esteemed company like L'Oréal Luxe, thanks to the strong partnerships MBS has established.

During the semester, I particularly appreciated the hybrid learning mode, which included multiple luxury site visits to observe business processes and connect with industry professionals. »

Dr. Niek **Althuizen**, PhD

HEAD OF THE PROGRAMME

Dr. Niek Althuizen (PhD, Rotterdam School of Management) is an Associate Professor of Marketing at MBS. In his academic research, he studies creativity in marketing, the role of status and aesthetics in product design (art, fashion, etc.), and brand politics and disinformation on social media. His research has been published in leading journals, such as Management Science (FT-50), International Journal of Research in Marketing, and the American Sociological Review.

MONTPELLIER CAMPUS

MSc INTERNATIONAL BUSINESS

DIPLÔME VISÉ CONTRÔLÉ PAR L'ÉTAT

DESSMO

You will be cultivating a global mindset within a truly multicultural environment in a programme that revolves around a rigorous and relevant curriculum, constantly adapting to changing business trends worldwide.

Active learning and meaningful experiences will further develop your world-class business capacities enabling you to perform in intertwined world economies using a multinational leadership perspective.

The world will get smaller as you obtain an extensive range of skills and attributes that lead to inclusion, internationalisation strategies along with ecological transition and innovative problem solving.

BY CHOOSING THIS SPECIALISATION YOU WILL:

- Gain first-class levels of knowledge, tools and skills that make you highly attractive to potential international employers operating in multinational arenas
- Understand the global context of business
- Expand your global network
- Unlock mind-shaping teamwork outside of your cultural comfort zone
- Develop your cultural capital to drive your international career

SPECIALISATION COURSES

- International communication marketing strategy
- Innovation management: Start-Me-UP
- International entrepreneurship
- International supply chain management
- International project management
- Decoding culture in International business

- **DESSMO**, a postgraduate diploma in Organizational Management accredited by the French state.
- **120 ECTS credits** (2-year programme), which you can use to prove your academic qualifications and enable further study and work worldwide.

Dr Sebastiano **Delre**

HEAD OF THE PROGRAMME

Dr. Sebastiano A. Delre is an Associate Professor Marketing at MBS since September 2022. His research interests revolve around marketing phenomena such as digital marketing, social influence, network science, innovation diffusion, new product introduction, social media and advertising. He is very much interested in new types of social influences that affect how consumers adopt, purchase and consume goods and services. He is a driven researcher who always strives for innovative ideas, original investigation, relevant implications, and rigorous method. His passion in research is driven by a real and genuine interest in how people make decisions and how they affect each other. His teaching is focused on digital marketing, big data and data analytics, as well as leadership, critical thinking and epistemology.

EXPLORE THE WORLD
WITH OUR FIELD STUDY TRIPS

Field study trips are an essential and enriching part of our MSc programmes. More than just classroom learning, they offer you a unique opportunity to immerse yourself in the real-world dynamics of your chosen industry while building meaningful connections with leading professionals.

A GLIMPSE INTO OUR PAST FIELD STUDY EXPERIENCES:

MSc Big Data & Artificial Intelligence for Business

A visit to **Dell Technologies**, where students took part in expert-led sessions on Big Data *(with Jean-Marc Dompietrini)*, Artificial Intelligence *(with Oana Cocorva)*, and innovation support through Dell for Startups *(with Nicolas Fadat)*

MSc Luxury Marketing in a Sustainable World

A two-day immersion at the **Dufour Yachts Headquarters** in La Rochelle to explore the marketing of electric yachts in the luxury market —where cutting-edge sustainability meets premium brand strategy

MSc Global Finance

A three-day field trip to **Luxembourg**, including in-depth sessions with key European institutions: **the European Investment Bank, the European Investment Fund, the European Court of Auditors**, and the microfinance leader **Microlux**

MSc Project Management

Visits to a dynamic range of start-ups, major corporations *(inc. Crédit Agricole and GGL)* and sustainability innovators - hosted at **Montpellier's Business & Innovation Centre** - working across industries such as sports, manufacturing, education, consulting, and smart cities

MSc International Business

A week-long immersion in **Europe's largest tech hub, Sophia Antipolis**, where students collaborate directly with start-ups from the Business Pole incubator, pitch innovation solutions, and compete in an Innovation Hackathon—plus a creative teambuilding workshop at Galimard Perfume Company and a discovery tour of Nice

THESE IMMERSIVE FIELD TRIPS ARE NOT JUST A HIGHLIGHT OF YOUR MSc JOURNEY THEY ARE A LAUNCHPAD FOR INSPIRATION, PRACTICAL LEARNING, AND LONG-LASTING IMPACT.

Femi
India

« I was amazed by how quickly we were immersed in real-world experiences. Just a couple of months in, I found myself working in a Business Pole alongside a startup in Sophia Antipolis on a one-week project—an intense, hands-on opportunity that turned out to be a game-changer. The collaboration went so well that I was offered a summer internship with the same company! »

WANT TO LEARN MORE?
JOIN OUR EVENTS!

Throughout the year, we invite you to take part in a range of events designed to help you discover our MSc programmes and prepare for your application:

- **Interactive Webinars**
- **Open Days on Campus**
- **International Admissions Info Sessions**
- **Free Training Sessions for the International Admissions Exam**

ADMISSION PROCESS
IN 3 STEPS

1 CHECK THAT YOU MATCH ENTRY REQUIREMENTS

The MSc programmes are open to students with three or four years of studies after high school. Students will have to provide an English test (i.e. TOEIC : at least 750/990 for the 2-year track | 790/990 for the 1-year track). More information on our website.

- Students who hold a **3-year degree** (Bachelor's degree or an equivalent of 180 ECTS credits) will join the 2-year MSc.
- Students who hold of a **4-year degree** (or an equivalent of 240 ECTS credits) will join the 1-year MSc.

2 COMPLETE THE ONLINE APPLICATION...

- https://www.mbs-education.com/international/en/

... AND UPLOAD THE FOLLOWING DOCUMENTS & TEST RESULTS :

- ❑ CV and cover letter
- ❑ Copy of the latest higher education diploma and academic transcripts of the last 3 years of studies
- ❑ Copy of your ID (e.g.passport)
- ❑ Photo (jpeg)

3 SELECTED CANDIDATES WILL BE SCHEDULED FOR AN ADMISSION INTERVIEW (VIA VIDEO CALL) & AN ENGLISH TEST (IF NOT PROVIDED WITH THE APPLICATION)

TUITION FEES

- **1-year MSc:** € 17,200
- **2-year MSc:** € 27,200

IMPORTANT NOTE:

After being accepted into the MSc programme, students must pay a €3000 deposit (which counts toward the total tuition) to reserve their place.

- **Payment by installments available**
