HIGHLIGHTS

AN INNOVATIVE EXPERIENTIAL LEARNING

The Corporate Finance programme offers an immersion in a very intensive working environment, combining online and blended learning, case studies, oral presentations, and group work. It also includes a conference programme for an operational vision of many corporate finance practices.

LEARNING BY DOING

Students will have the opportunity to participate in business games, workshops on current business issues such as the M&A Rumour Simulation Game, the Holt Valuation Challenge, the Crowdfunding Valuation Case and the pricing of next IPOs. Hands-on experiences that will expand their financial knowledge and prepare them as future managers.

A DEAL MAKING SPECIALISATION

The students will enhance their financial acumen and business insight, engage in complex decision-making at all stages of corporate development. They will also develop their critical thinking on how to make adequate valuations and investment choices.

A MULTI-INDUSTRY FOCUS

Students learn the advanced knowledge needed for careers in large corporations and multi-nationals as well as in transaction services, corporate banking, venture capital, private equity or asset management. The programme will give them access to a wide range of opportunities in different industries.

AN INTERNATIONAL VISION OF BUSINESS

A full English curriculum with professors, lecturers and a network of international partners will enable students to interact in a globalised environment with awareness of their local community and the wider world.

A UNIQUE CORPORATE VENTURING TRACK

Students will work on how international corporation deal with disruption by investing in start-ups. They will have the opportunity to exchange with corporate investment directors from organisations such as Orange Venture, Jet Blues Ventures, Saudi Aramco Ventures, EDF Ventures, Bosch Ventures, etc.
