MSc MASTER OF SCIENCE

Distinctive skills attractive on the job market

"KEDGE's specialised Master of Science is a leading-edge programme designed to train managers capable of meeting the specific needs of the international sports industry. This is a dynamic and demanding environment that requires a wide range of skills and expertise. Courses cover event marketing and sports law, and include personalised mentoring by leading professionals, helping students develop their network even before graduation. Graduates of this MSc will be equipped to take up senior positions in sport, event organisation and marketing management all over the world."

Jean-Philippe DANGLADE, head of International Sport & Event Management programme

HIGHLIGHTS

MARKET EXPERTS PASSING ON PRECIOUS KNOWLEDGE

The programme boasts an extensive network of respected partners providing in-depth industry knowledge. Such strong genuine collaborations provide valuable outcomes for both students and companies and reflect common values. They extend both regionally - in the Aix-Marseille region - and internationally, delivering hands-on experience with elite sports clubs and organisations, high-performance centres, equipment manufacturers, major sporting events, media organisations and more.

IN-DEMAND HARD AND SOFT SKILLS

To meet the latest market needs, this MSc offers highly specific teaching with in-depth theoretical and practical knowledge, combined with advanced management skills. It provides the expertise needed to pursue a range of careers such as consultancy, management, sports facility management, international sports development or sports social enterprise. CSR issues are also addressed to help graduates make a positive contribution and a significant impact within their future organisations.

INCREASED EMPLOYABILITY WORLDWIDE

With over 20 years' experience in the field, this programme draws on a wealth of business and industry contacts. Besides the study materials essential for success, students benefit from the inputs of this dynamic professional community. Training modules, workshops and conferences designed to enhance employability are all part of the curriculum. Joining the MSc also means joining a solid network of Alumni worldwide where membership benefits include networking opportunities and professional resources.
