J1 Student, Faculty, & Scholar

J1 Category	
Visiting Students	• 20% scholarship from F1 on ground fees • Students usually stay for 1-2 semesters
Visiting Professors	• Paid an hourly rate • Living expenses are the responsibility of the visiting professor • Specifically looking for faculty who can teach in COTE programs, accounting, finance, or economics
Research Scholars	• Pay Westcliff $12,000/year • Have a dedicated mentor to assist with research design and publication
Specialists	• Visiting staff who come to provide or receive training

- Time spent in the U.S can range from a few days to up to 5 years
- Can bring family on an F2 visa

J1 Financial Info

- Students are required to submit bank statements that are dates within the previous 90 days.
  - The bank statement can either be their own or their sponsor's.
- The full Proof of Funds chart including certificate programs can be found on the Admissions website.
  - Please note an additional $6,024 is required for for a spouse and an additional $3,313 is required per child.
  - Scholarships do not impact the Proof of Funds required for J1 participants.

High School Progression

- High school students can take WU online General Education courses during their senior year of high school
- Students can significantly decrease the time required to earn a bachelor's degree
- Credits earned at Westcliff can be used towards earning a Westcliff undergraduate degree online or on campus in the US
- Westcliff credits can be transferred to other universities, if the student wishes to pursue their bachelor's at another institution

Erasmus+ KA171

- Also known as International Credit Mobility (ICM)
- Facilitates student and staff mobility between European universities and partner countries outside of Europe including the United States.
- ICM supports students studying abroad, staff teaching or training abroad, and the internationalization of European higher education.

Off-Campus Internships

CPT Curricular Practical Training

- Full time (40 hrs) – Limit to 1 year to remain eligible for OPT
- Part time (20 hrs) – No duration limit
- Bachelor's, master's, doctorate eligible. Undergraduate students must complete 1 academic year first
- Register for an additional 1-credit course each semester

OPT Optional Practical Training

- If eligible, OPT is for 1 year after the student graduates
- STEM students can apply to extend OPT for 2 additional years (3 years total)
- OPT can be taken once per degree level
- Full time or part time

Open Enrollment – 6 Starts Per Year
