Visa procedures (non-EU students)

IMPORTANT FOR ALL NON-EUROPEAN STUDENTS:

All Non-European students need a visa to come and study in France

BEFORE coming to France: compulsory application for a visa, either on Campus France website *www.campusfrance.org/en* (if your country is part of the Campus France/Etudes en France procedure) or directly at the nearest French Consulate (please check on Campus France website). For students who do not live in their home country, visa applications must be submitted at the French consulate of the country of residence.

ONCE in France, and **depending on the visa** you received:

- **Visa 'Etudiant' 'CESEDA R311-3 6°'** also called **VLS-TS** (valid 3 months before extension): this type of visa is given to students who come for an academic year, and sometimes for a semester: **compulsory procedures once in France** to get an extension (with help of International Office): payment of official tax (60 € in 2017/18) and interview with OFII, French Immigration Bureau, in Troyes. **With this type of visa, you may apply to CAF housing benefit and work in France (60% of legal working hours).**

- **Visa 'Long séjour temporaire' 'Dispense temporaire de carte de séjour'** also called **VLS- T**: this type of visa is generally given to students who come and stay for one semester. There is no special procedure to go through once in France, but **students are not entitled to apply for CAF housing benefit and are not allowed to work.**
